Nayanjyoti Sharma

Chabua, Dibrugarh, Assam | 7002640357 | nayanxs8881@gmail.com | linkedin.com/in/nayanxs

Objective

Highly motivated and detail-oriented front-end web developer seeking an opportunity to utilize my skills and knowledge as a Fresher to create engaging and user-friendly websites. Eager to contribute to a dynamic team and continue to learn and grow in the field of web development.

Education

KV Airforce Chabua   **2018 - 2020**
   XI-XII   Science in PCM   *Chabua, Dibrugarh, Assam*

The Assam Kaziranga University   **2020 - Present**
   B.Tech in Computer Science   *Jorhat, Assam*

Works and Projects

I keep testing myself by Creating some User-Friendly responsive Websites.
Some of The Projects are Given Below :

- **My Personal Portfolio Website**
  - I developed a user-friendly an responsive Frontend of My Personal Portfolio. I used HTML, CSS and Javascript to develop it.
  - I invested a good time in Developing it so that it look approachable and easy to browse through.
  - Check out My Portfilio Website to Know more And Get Access to all My Projects
  - Link : *https://nayanxs.github.io/About-NayanXS/*
- **Tindog**
  - I developed a clone like website of tinder where we can find near by Dogs. It is also user-friendly and responsive .
  - I used HTML, CSS and Javascript to develop it.
  - Link : *https://nayanxs.github.io/tindog/*
- **Tazza (A e-mart Website)**
  - Tazza is a *Multi-Page* Website developed by me.
  - This website gives a interface for the customers to browse shop groceries and fruits very easily.
  - Link : *https://nayanxs.github.io/Tazza/*
- **Netflix Clone**
  - I tried developing a clone of Netfix Login Page
  - i am still on Upgrading the Project
  - Link : *https://nayanxs.github.io/Netflix/*
- **Music Playlist Website**
  - I tried developing a clone of Netfix Login Page
  - i am still on Upgrading the Project
  - Link : *https://nayanxs.github.io/MUSXS/*

Skills

- Languages : HTML/CSS , Javascript, C/C++ , Python
- Developer Tools : VS Code , Atom

As a fresher I try my best in polishing myself to the Peak of my Potential . I believe in LEARNING NEW EVERDAY.
